Nancy and Jeff, here is the updated demand letter which this office has drafted to send to Georgia-Pacific if both of your public bodies agree. This is still a draft so we can still make changes that you believe are necessary. Please keep me advised as you proceed to review. Let me know if you have questions in the meantime. Chuck

Nancy, I hope you had a Happy Thanksgiving. Have your financial folks looked into the City's costs now that they are back? If they have anything else to add as an incurred or to be incurred cost, let me know. I will then update the draft letter to Georgia Pacific for you and Jeff to present to your public bodies? Has there been any update on efforts by the Legislature or Governor to free up any funds for ongoing costs? Thanks. Chuck

Folks, per our discussions on November 14, 2018, I have put together a draft demand letter for recovery of ongoing and future costs to Georgia-Pacific, LLC. As you can see from the text and blanks, this letter could use some additional detail about each community's incurred costs to date, as well as potential future costs. For the time being, I have used some information that Jeff shared on costs. In any event, I welcome your suggestions. I will update as you supply me with additional information. Also, keep me informed as to when your communities will take this topic up for discussion. I would be happy to supply additional background if that will help your public body's review. Thanks for your cooperation. Chuck
